Summary

Print in place simple scoop

[Hobby & Makers](#) > [Tools](#)

Tags: [tool](#) [scoop](#) [lego](#)

made a print in place scoop to help me cleaning up the Lego area after my kids played. Very tight fit between the scoop and the handle. Use a block to help pressing the handle in place.

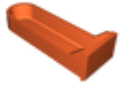

Here's the link if you want to support my work and help me on the CAD design journey. :P
