## Summary

Retro Unicorn Figurine – Minimal Toy Style

[Art & Design](#) > [Sculptures](#)

Tags: [animal](#) [cute](#) [unicorn](#) [dream](#)

A dreamy little unicorn with a chubby body, tiny horn, and smooth flowing mane, all shaped in a soft, rounded style. Its dot eyes and subtle smile give it a magical yet simple presence, perfect for collectors who love cute fantasy figures with a nostalgic toy vibe. Finished with a smooth 3D printed look for that extra charm.
