updated 16. 8. 2022 | published 16. 8. 2022

Summary

Set of 3 round countainers

[Hobby & Makers](#) > [Organizers](#)

Tags: [box](#) [storage](#) [storagebox](#)

If you want to print in 2 colors use change filament in slicer after last layer of the lid.

Tested the threads with PLA at 0.2mm layer high with a printer that can achieved tolerances of 0.2mm or lower. No supports.

UPDATES

16.08.2022 - rework the threads for boxes with big diameter.
