Summary

This is a bust i did in Zbrush . It's printed on a MK3S, then sanded and painted by myself.

[Art & Design](#) > [Sculptures](#)

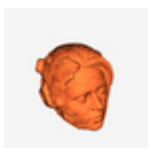

This is a bust i did in Zbrush . It's printed on a MK3S, then sanded and painted by myself.

There are 3mf files for the SL1 and the STL's are for FDM Printers.
I scaled and aligned them to fit on the Buildplate for both printers.

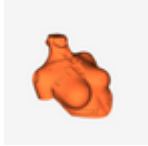

I did not test the SL1 version so please check it yourself before printing!

I hope you like it and happy printing!

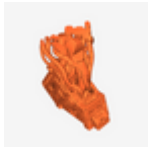

Model files

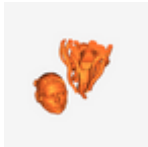

cyborghead.stl

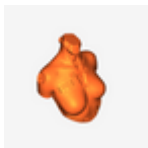

cyborgbody.stl

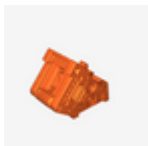

cyborgbase.stl

cyborg_sl1_head_hoses.3mf

cyborg_sl1_body.3mf

cyborg_sl1_base.3mf
