This is an amazingly detailed model of The Mandalorian. This model requires absolutely no supports!

The included Gcode has the best settings to get the perfect print with PLA.

I also sell this item on Etsy if you would like to have one shipped to you:
https://www.etsy.com/listing/1133583444/mandalorian-figure-3d-printed?ref=listings_manager_grid

I didn't design this. It is a model that I have had for a while and could no longer find on the internet so I reposted it for more people to use and admire.
