These hangers are designed to accommodate two controllers and/or a pair of headphones. Attach to the wall using 3M command strips. Nintendo Switch Pro Controller, PS5, and Xbox One controllers have all been tested.

Can safely be printed at 0.28 layer height on the side, and requires no supports. Recommend 10-20% infill for strength depending on infill pattern.

If you like this model and would like to purchase one for yourself, please see my Etsy store at <https://www.etsy.com/listing/1139803315/two-controller-headphones-universal-wall>
