updated 16. 1. 2024 | published 16. 1. 2024

Summary

A drawer organizer designed to accommodate most sizes of fork, spoon and knives

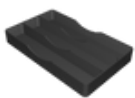

[Household](#) > [Kitchen](#)

Tags: [organiser](#) [utensils](#)

Use this drawer organizer to keep your forks, spoons and knives organized and easy to grab.

I printed this file with 0.3mm layer height to cut down on time and as the walls are fairly thin they consist mostly of perimeters.
