Summary

I created a Paint Pen Holder (Round Base) to clean up my work desk and organize the paint pens.

[Art & Design](#) > [Other Art & Designs](#)

I created another Paint Pen Holder with a round base to clean up my workspace and organize the paint pens by color and hold more pens. I designed the model using Fusion360. I printed the model on the Creality K1 printer in Creality Hyper PLA. I did not select supports or brim.
