### Fidget Anchor - Print-in-Place Fun! ⚓

Set sail for fidgety fun with this print-in-place Fidget Anchor! The fully articulated chain easily snaps into the anchor, while the other end features a free-spinning loop with a bearing and spoke, letting you swing, spin, and twirl it around on one finger.

This is a mixed-play fidget, meaning you'll have the most fun combining it with other toys! Use it to "hook" your favorite fidgets, add it to imaginative play, or just enjoy the satisfying movement of the chain and anchor.

**Minimal assembly required - prints in three snap together parts!**  
**Supports not needed!**  
**Great for spinning, swinging, and linking with other toys.**

Print it now and anchor in the fun! ⚓

(Choking hazard, if they are putting things in their mouth this isn't for them. 8+)

(Slicer profile 1st color is chain, 2nd color is anchor and bearing.)
