Summary

Retro Deer Figurine – Minimal Toy Style

[Art & Design](#) > [Sculptures](#)

Tags: [toy](#) [deer](#) [retro](#) [cute](#) [figure](#) [animals](#)

A gentle deer with a rounded body, tiny antlers, and soft, stubby legs—bringing forest calm in a vintage-inspired form. Its big dot eyes, small nose, and upright ears create a peaceful, lovable look. Designed with smooth curves and a subtle 3D printed texture, this piece fits perfectly in any minimal animal collection.
