Summary

A super simple can/bottle holder for mini fridges.

Tags: [bottle](#) [can](#) [fridge](#) [mini](#) [simple](#) [soda](#)

I needed something to store some cans or bottles on the 2nd shelf of my mini fridge. Fits 1 standard size glass bottle or 2 12oz cans.

Not sure how PLA will hold up in the fridge over time, so ABS or PETG might be a better choice. Print settings really shouldn't matter.
