updated 11. 12. 2022 | published 11. 12. 2022

Summary

Add a little winter flair to your office or home with these magnetic/stick up icicles.

[Seasonal designs](#) > [Winter & Christmas & New Year's](#)

Tags: [decoration](#) [ice](#) [snow](#) [winter](#) [christmasdecoration](#)
[holidaydecoration](#) [icicles](#) [winterdecoration](#) [winterdecorations](#)

Icicle decoration should print without supports. Supports may be used on the magnet holes if required. Space for (3) 12mm (1/2") magnets to stick to a metal door frame, or just tape/command strip in place. Mine also stuck to the metal corner beads of unframed openings at my house & office.

Samples printed in white Hatchbox PLA on the Prusa MK3S+.
