[label](#) [greenhouse](#) [herbs](#)

Just some simple signs for labeling herbs or plants. User different sizes for different use-cases.

Features

- Three sizes (30x50mm, 45x50mm and 45x100mm)
- Stabilizer on back for better endurance
- Quick and easy to print

Recommended print settings (or just use the provided print profiles)

- Layer Height: 0.2mm
- Top/Bottom layers: 5 each (to have no infill shine through)
- No supports needed
