Summary

A stylish waffle patterned pot.

Tags: [planter](#) [pot](#)

A stylish looking pot with waffle pattern on the top part. I designed this mostly as an exercise to see if I was able to implement this pattern using OpenSCAD.

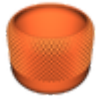

I printed using 0.2mm layer height in order to get a nice looking waffle pattern. The filament I choose was a matte black.

Inner diameter: 108mm

Inner height: 105mm
