Summary

Introducing Townsfolke, a series of civilian miniatures appropriate for any medieval fantasy tabletop game!

[Tabletop Miniatures](#) > [Characters & Monsters](#)

Hear ye, hear ye!

Introducing **Townsfolke**, a series of civilian miniatures appropriate for any medieval fantasy tabletop game!

All 3d-printable models are supplied without bases and print 100% support free. Townsfolke are scaled for standard miniature gaming (30mm scale), and 15mm scale versions are included as well!

This free set includes: Penitents with two forms of burdens, a prisoner, three town guard variants, a full set of tavern patrons, a hedge wizard, a trumpeter, a strolling knight, a lookout, and a ferryman with his boat.
