updated 1. 7. 2023 | published 1. 7. 2023

### Summary

Converts an AA battery to C cell size.

[Household](#) > [Other House Equipment](#)

Tags: [batteryadapter](#) [aabatteryadapter](#) [aatoccellbatteryadapter](#)

**Print in Vase or Spiralize mode** with a **0.8mm extrusion width**.

Prints well using a standard 0.4mm nozzle. Just be sure to set your extrusion width to 0.8mm
