Want a wheel stand for your bike? I made this model because when I put my bike to the trainer I couldn't find a place to store the rear wheel. Also, don't want to lean somewhere.

#### Print instructions

- **Speed on first layer:** 50% (To ensure good bed adhesion)
- **Infill:** 15% (grid or honeycomb)
- **Top/bottom layers:** 6
- **Walls:** 3

Happy printing!
