(English below)

Da wir wiederaufladbare LED-Teelichter haben die nicht den Standardmaßen entsprechen, habe ich diese Halter kreiert. Es sind zwei Größen verfügbar. Sollte jemand eine andere Größe benötigen, lasst bitte einen Kommentar da, ich füge gerne mehr hinzu

Größen

Standard: 3,8mm x 13-18mm

Groß: 4mm x 28mm

Drucksetting

10% - 15% infill

keine Supports

Since we're using rechargeable LED tea light which doesn't come in standard sizes, I created these holders. They're available in two sizes

Sizes

standard: 3.8mm x 13-18mm

big: 4mm x 28mm

Printsetting

10% - 15% infill

no supports

If another size is needed, please leave a comment, I'm happy to add more
