Summary

This is my entry into the Sharpie modification contest. Enjoy :D

Give your Sharpie a bit of personality with this mod. Requires supports to be turned on. I printed at 0.2mm layer height with a speed of 100. If you have any questions, don't hesitate to ask.

UPDATE: I made an articulated version of this model. It can be found here <https://www.printables.com/model/257521-articulated-sharpie-guy>
