### Printing

All parts can be printed without supports.

Several parts (particularly the chest) have very minimal contact with the build plate. If you don't have very good adhesion, add a brim.

### Assembly

See the video above for a step-by-step demonstration of the process.

## Can I sell copies of this?

Yes! This project was shared under the [Creative Commons - Attribution](#) license.

This license allows selling copies, but you must provide proper attribution, as detailed in the license itself.

Please note that any other projects linked here (remixes or related projects) may have a different license. Please respect those licenses.
