Thanks for understanding and supporting original 3D design!

Ruins of Olympus - Dual Stand for Xbox Series X|S Controllers (FDM Friendly)
Inspired by ancient ruins, this dual controller stand turns your Xbox gamepads into museum-worthy relics — perfect for any gamer who appreciates functional art.

Features:

Fits Xbox Series X|S and Xbox One controllers

Dual controller slots – balanced, symmetrical layout

Broken column aesthetic – evokes classical Greek & Roman ruins

Optimized for support-free FDM printing

Single-piece STL – easy to print and use

Fits build plates 18×18 cm and larger (ideal for Bambu Lab A1 Mini)

Recommended Print Settings:

Supports: Not required

Walls/Perimeters: 3

Infill: 15%

Layer Height: 0.12–0.16 mm

Material: PLA or PLA+ recommended
