Summary

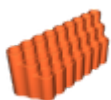

Stylish stand holds 24 sharpies in a very small footprint

Tags: [crafts](#) [markerholder](#) [office](#) [sharpie](#) [stand](#)

I was looking for a stand for the 24 pack of Sharpies I recently bought and couldn't find one I liked so I designed my own. Works great and despite the small footprint is very stable. All Sharpies are easy to quickly grab, even the ones in the middle.
