

Toothpick holder, with a twist

xrg

[VIEW IN BROWSER](#)

updated 18. 5. 2025 | published 18. 5. 2025

Summary

Simple, hexagonal toothpick holder, with twisted sides

[Household](#) > [Kitchen](#)

Simple toothpick holder.

You can print it with any material (I did PLA), 0.2mm height and optional brim. No supports needed.

This remix is based on

Toothpick holder
