Summary

Pencil holder along with a smaller bin for erasers, sharpeners, etc

[Household](#) > [Office](#)

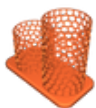

Tags: [voronoi](#) [pencilholder](#)

My daughter wanted a pencil holder along with a smaller bin for erasers, sharpeners. I used the voronoi plugin for F360 and it came out pretty well.

Print without support but make sure your filament is super dry and your retraction settings are dialled in, otherwise you will end up with LOTS of stringing.

Enjoy!
