updated 12. 5. 2022 | published 12. 5. 2022

Summary

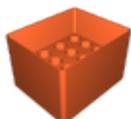

Box where the lid is easier to open and the batteries don't stick so tightly in the box. With AAA label.

There are already many battery boxes on Printables, but with many I have had the problem that the batteries are very difficult to get out of the box. So I created my own box where the lid is easier to open and the batteries don't stick so tightly in the box.
