Each variant is optimized with **dedicated print profiles** to suit different filament types:

- **Basic filament** for standard materials. (PLA Basic)
- **Matte and silk filament** to accommodate the increased friction of these materials, ensuring smooth operation.

This compact and satisfying clicker toy is perfect for stress relief, focus, or simple fun. Weighing just 4.5g and with a rapid print time of 10 minutes, it's a great addition to your desk or pocket. Whether you need a distraction or just something to keep your hands busy, the Fidget Toggle Switch is your ideal companion!

Use 20% infill and rear seam position.
