Summary

Made it easier to open and close without losing strength.

Tags: [carabiner](#)

This carabiner is an update of the v2 version (<https://www.printables.com/model/1324032-carabiner-v2>). It's made so it's easier to open and close.

I've been using the v2 for a few weeks and it's still holding up as well as when it was printed. I still have my keys :)
