Summary

Planter in pentagonal shape in two parts. Bottom is a also a deposit for water.

[Household](#) > [Outdoor & Garden](#)

Tags: **planter**

A planter with pentagonal shape.

It has a lower deposit for excess water. Printed in two parts with no supports.

Fusion 360 and STEP files attached if you need to modify anything.

Modeling explained in YT in Spanish.

Spanish

Maceta con forma pentagonal.

Tiene un depósito inferior para el agua, se imprime en dos partes sin soportes.

Adjunto formatos STEP y Fusion 360 por si quieres modificar algo.

Y el vídeo del proceso en español lo tienes más arriba.
