A simple swatch to easily see all the filament you have. Easy way to save a bit of a sample filament for future reference.

The swatches are designed to perfectly fit Avery address Labels (1" x 2 5/8") product no 15660. Available here : https://www.amazon.com/Avery-Frosted-Address-Printers-15660/dp/B000GOY6F0/ref=sr_1_2?keywords=address+labels+15660&qid=1641186957&srefix=adress+labels+15%2Ca

Box will hold 30 swatches, it has holes for embedded magnets and a print in place hinge, no supports required. The hinge has a good amount of clearance so it is easier to print on any printer.
