Summary

Found a few grenades online. Didn't find one that worked well. So I designed my own.

[Costumes & Accessories](#) > [Props](#)

Tags: [prop](#) [army](#) [military](#) [grenade](#) [grenades](#)

Was struggling to find a grenade I was liking. So I designed my own based on some models I found online.

Goals

1. Look cool
2. No glue
3. Spring to push off Safety Lever
4. Real looking safety pin
5. Easy to print

What you will need

1. Pen spring
2. Cotter Pin 3/32"x1"
3. Key Chain Ring

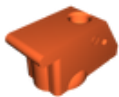

NOTES:

1. Place on print bed as shown in the photo
2. Print
3. Place **Pen Spring** into the Handle Holder/Fuse **FIRST** before screwing on the Top Ball/Body. **See photo:** Pen spring will be held into place by the threads from the Top Ball/Body and the Handle Holder/Fuse.
4. Have Fun
