Summary

Sorting Tray for sorting things :)

10.15 hrs	2 pcs	0.26 mm	0.40 mm	PLA	155 g	Prusa MK3/S/S+

Hobby & Makers > Organizers

Tags: box   organizer   sortieren   sortierkasten   sorting   sortingbox   sortingtray   stackable   sortierbox

This is a sorting tray i designed to organize some lego parts while building. But obviously you can use it to sort or store what ever you want ;)

You need to orientate it before printing! Just bottom to bottom!

In the pictures you see the 100% Version. Scaleable down to 50% possible.

Cheers PrintBrothers3D
