updated 4. 5. 2022 | published 4. 5. 2022

### Summary

This is a dual version of my previous "Simple & Strong Hook" design. The two hooks are placed at a 90 degree angle.

[hooks](#)

This is a new version of my simple & strong hook design with two hooks in one. The two hooks are placed at a 90 degree angle, with the two mounting screws in the middle. Depending on the print orientation, you need no support material.

### Support

If you'd like to support me for the 3D models I distribute for free, you can use the following AliExpress affiliate link: [https://s.click.aliexpress.com/e/\\_AoUC8h](https://s.click.aliexpress.com/e/_AoUC8h)

Whenever you buy something through this link, I get a small kickback without costs for you :)
