Surfer Garden Gnome - "It's 5 O'Clock Somewhere"

Bring some beach vibes to your garden with this laid-back Surfer Gnome! With sunglasses on, a drink in one hand, and a surfboard by his side, this little dude is living the dream. Perfect for summer decor, garden parties, or just adding a touch of tropical chill to your 3D printed collection. The sign behind him reads "It's 5 o'clock somewhere" - because every hour is happy hour in gnome-land.

Printing Tips:

Designed with detail and overhangs, this model prints best with organic supports. PLA or PETG recommended for outdoor durability.

Features:

- Fun and detailed beach gnome design

- Includes surfboard, tropical drink, and a whimsical sign
- Great conversation starter or gift for beach lovers

Hang loose, hit print, and let this gnome ride the filament wave into your home!
