Bigger feet for the great **Dummy 13 - versione 1.0!** model by "**Lucky 13 Toys**".

I really love the original model but sometimes I struggled to keep the model up so I modified the feet to make them longer and wider and I think this way the original model is more stable.

This files contains only one foot and one toe, so you need to print two of them and obviously you need to download and print the original model.

This remix is based on

Dummy 13 - version 1.0!
