model created by zbrush sculpture

Design Concept

This model embodies the strength and elegance of a powerful superheroine, designed with attention to detail to capture a dynamic and inspiring stance.

Purpose

Ideal for display as a decorative piece, this model elevates the aesthetics of any room, bringing a touch of heroism and style.

Printing Recommendations

For optimal results, print using a fine layer height to capture intricate details. Supports might be necessary for parts of the cape and extended limbs.

Assembly Instructions

Though generally printed in one piece, careful handling post-print is suggested to maintain the delicate features and pose integrity.
