updated 20. 6. 2023 | published 20. 6. 2023

Summary

A simple and symmetrical tree.

[Art & Design](#) > [2D Plates & Logos](#)

Branches and roots are thin so be careful removing from build plate. It may be best to allow the plate to cool enough to self-release if possible.

Updated to fix ring raised off bed, and added a flat version to allow using the smoother bed side as the front.
