Summary

Knobs with snap-on covers to suit metric sizes.

[Hobby & Makers](#) > [Other Ideas](#)

Tags: [nuts](#) [knobs](#) [bolts](#) [m4](#) [m6](#) [m5](#) [m8](#)

Large knobs to suit M8, M6, M5 & M4, and small knobs to suit M5 & M4 sizes. Use with a hex head bolt or nut.

Prints with support, can also print without support but both will need cleaning up.

Remove rubbish and insert nut or bolt.

Then snap a cap over to finish. A drop of superglue will help, but the caps are secure as is. Use the same cap without the hole for all knob sizes.
