Summary

Printed dice tray to fit a 120mm (L) x 128mm (W) x 2mm (H) felt sheet and 11mm adhesive rubber feet

[Toys & Games](#) > [Board Games](#)

This is my version of a dice tray to protect a table. It takes a felt sheet and holds it in position from 2 sides.

I have put adhesive rubber feet on the bottom to stop it moving around.
