Rate, like & comment on Printables ! if this Creeper is chilling at the edge of your desk

Recommended Print Settings:

- Layer height: 0.16 mm
- Line width: ≤ 0.35 mm
- Detect thin walls: Enabled
- Speed: Slow to medium

- Supports: Tree with multiple interface layers (try **hybrid** for better results on larger contact areas)

Ideas welcome: DM me kinks, bugs, or model wishes and I'll do my best to add them.
