This is a scaled down version of my **Playing Card Holder** model: <https://www.printables.com/model/712156-playing-card-holder>

Sized for Cartamundi custom Bridge decks (56 x 87 mm). These are regular playing cards but has a smaller size compared to standard poker cards. Verify fit as brand variations exist, minor scaling in slicer might be needed.

Snap-on-lid with double clubs decoration.
