### Summary

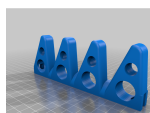

Extendable lid holder. Extend as you wish. Reuploading from thingiverse Cellox model.

[Household](#) > [Kitchen](#)

Tags: [holder](#) [lid](#) [modular](#)

It was hard to find a good lid holder. This lid holder is modular. You can extend it as you wish. I'm reuploading because the other one from thingiverse is not in English and it was very hard to find.
