updated 30. 12. 2023 | published 30. 12. 2023

Summary

A bottleholder designed for 2 bottles / Cans with an outer diameter of 88mm.

[Household](#) > [Kitchen](#)Tags: [bottle](#) [organizer](#) [fridge](#) [bottleholder](#)

For tidiness in the fridge. It is ideal for storing bottles with a diameter of 88 mm.

I printed it without supports with PLA.
